Dear Parents/Carers,

Just a quick note to welcome everyone back after the summer break.
We trust you had a relaxing time.

Key worker

Each child is allocated a key worker who is available at the beginning and end of a session for your point of contact should you need to discuss your child's development or welfare. Just a reminder of your child's key worker. _____ key worker is

_____.

"Wow" sheets

Please feel free to share your child's achievements with their key worker or fill in a "wow" sheet so that it can be included in their learning journey. As you know, you can look at your child's learning journey at anytime and they are located in the bookcase labelled with the name of your child.

Show and tell

We encourage children to bring in **ONE** item for show and tell each week. This term we are focusing on letter sounds and they are displayed on the pre-school door for your convenience.

_____ show and tell day is on _____

Please do not allow your child to bring an item on any other day as we will not have time to show it and this often leads to disappointment.

Book sales

From time to time we have visiting book companies that leave a selection of books. Please feel free to browse through them when dropping off or collecting your child. Money will need to be left when you place an order.

Spare clothes, Clothing and footwear

Please bring a spare change of clothes (or three for your child if they are potty training). All the items need to be named including the bag. Thank you. Comfortable clothing is important for your child, please remember we are outside as often as possible and climbing can be difficult when wearing a dress or inappropriate shoes. Simple clothes which the child can manage themselves are ideal. If your child walks to Pre-school in wellington boots please supply a pair of indoor shoes as well, thank you.
